As a competitive athlete it had to be borderline impossible for Diana Taurasi and Penny Taylor to watch their team, the Phoenix Mercury, secure the worst season in franchise history.

They have now had over half a year to let that soak in. This is a team of championship pedigree and unlimited talent, but die to injuries the team will now welcome the No. 1 Overall Pick in the 2013 WNBA Draft as well as the DeWanna Bonner, the leagues newest star.
