Channing Frye live chatting away...(Photo by me)

[View full size photo »](#)

Channing is scheduled to join us at 12:30pm (PST) today for a Live Chat. The time is not set in stone so stay frosty flexible.

Go ahead and start leaving questions for Channing in the comments below and check back for timing updates as we approach the appointed time.

As always, be civil and polite. Jerk-ass questions will be deleted.
