

## Phoenix Suns Podcast 9: Trade rumors and time for a break

Written by

Wednesday, 13 February 2013 09:43 -

---

We move on to discuss the trade value of players on the current roster and how Goran Dragic may not have that much even if the Suns did want to move him. We also talk trade rumors and flip on the trade machine briefly to float a couple of our machinations for world domination.

Kris and I will be joined by a very special guest this Friday, so check in this weekend for exclusive Brightside content!
