With all the rumors surrounding the [Phoenix Suns](#) leading up to the trade deadline they managed to basically swap [Sebastian Telfair](#) and a second round pick for [Marcus Morris](#), [Hamed Haddadi](#), and a second round pick.

Since Morris arrived the team is 2-2 with back-to-back wins in overtime.

He joined the podcast this week to introduce himself to the Suns community and let them know a little bit more about the player they just acquired. The Philly kid is here to bring the best out of his brother while proving his doubters wrong. In Houston he was buried on the bench, but here he has a shot to prove he has the skill to play major minutes at the three or the four.

I am flying solo this week, so be kind folks...
