Dallas is 38-39 on this disappointing season for them that will see the Mavs miss the playoffs for the first time since the 1999-2000 campaign. That's a streak of 12-straight postseason appearances for the Cowboys that's about to come to an end.

Perhaps more importantly, the Mavs have a great chance to end another streak with this game against the cellar-dwelling [Suns](#) . The Cowboys promised not to shave until they reached the .500 mark. It's been, well, it's been a long time and facing a bad Suns team on the back end of a back-to-back, the locker room janitorial crew should be prepping for some REALLY hairy sinks.

Key match-ups include...well gosh darn it, there's actually no interesting match-ups between these two teams. Here's some players who should be playing at **5:30pm AZ Time on FSNAZ**.

- [Luis Scola](#) vs [Chris Kaman](#)
- [Markieff Morris](#) vs [Dirk Nowitzki](#)
- [Wesley Johnson](#) vs [O.J. Mayo](#)
- [Goran Dragic](#) vs [Mike James](#) (what happened to [Darren Collison](#) ?)
- [P.J. Tucker](#) vs Shawn "THE MATRIX" Marion

Maybe of interest will be [Marcus Morris](#) who played decent in Houston after being buried in [Lindsey Hunter's](#) dog house. Maybe not.

Only four more games, folks. You've come this far...

[Mavs Moneyball](#) will have the Dallas Shaving Report.
