I have no idea how to embed pictures from instagram, so you'll just have to [click the link](#) . I'm not an instagram user, so big thanks to Toon Army Sun for alerting the twitterworld of this post.

So far, this is all we have. No real idea what it means, until someone with actual connections gets an exclusive.

Update from Jared Dudley - they were always great friends. No idea what Jared is saying, but I'll chalk that up to autocorrect.
