JUST TRY TO IGNORE ...

Ugly basketball: Dragic, Gortat and Bledsoe all would be role players on good teams. Here, they will be asked to be the stars. The Suns may have the worst-constructed roster in basketball, and watching Dragic and Bledsoe take shots that no one else is more qualified to take won't be pretty.

Grade: B+. This was a textbook overhaul: replacing bad vibes, desperate management and nonessential veterans while injecting a clearer vision, eager front-office personnel and young talent.
