Things to keep an eye on:

- **Point Guard Match-up:** This game features a lot of point guards. The Suns have [Goran Dragic](#), [Eric Bledsoe](#) and Kendall Marshall. The [Kings](#) have [Isaiah Thomas](#), [Greivis Vasquez](#) and Ray McCallum. Who has the better trio?
- **Slowing Down Cousins:** [DeMarcus Cousins](#) was a monster in the Kings' last game. How much does Gortat play against him? How will the young bigs ([Alex Len](#), [Miles Plumlee](#), Slava Kravtsov) fare when an if they are called upon?
- **Rookie Shooting Guards:** The Suns have [Archie Goodwin](#) and the Kings have Ben McLemore. That's a pair of hyper athletic young shooting guards still trying to figure the NBA game out. This matchup should be interesting to watch. Who comes out on top?
- **[Mook Morris Says He's Not Markieff but he is the Shooter the Suns Need](#)** : Is he? Tune in to find out.
- Paul Coro dropping some pregame knowledge about the rotations.

Hornacek plans to use more of a real game look tonight at SAC. [#Suns](#) starters: Dragic, Bledsoe, Tucker, Markieff, Gortat. That might stick.

Now, who's ready for some [Phoenix Suns](#) basketball?
