According to Marc Stein and others (but first from Stein), the Suns are trading Marcin Gortat, Shannon Brown and Kendall Marshall for Emeka Okafor's contract and at least one draft pick (2014 #1 protected top-12).

Bingo!!

Marc Stein @ESPNSportsLine  
Proposed deal will send Shannon Brown and Kendall Marshall to Wizards and Suns in  
exchange to receive Emeka Okafor & at least one pick. about 8 minutes ago

Per Woj, Malcolm Lee was included as well.

Suns send out \$14 million in contracts, take back \$15 million (Okafor) AND get a #1 2014 pick for their troubles.
