Welcome to the Madhouse! Bright Side of the Sun is an amazing and diverse community and it deserves a place where the tyranny of topicality does not rule. And that's what The Madhouse is. It's Bright Side of the Sun's place to talk about whatever you want, whenever you want: favorite TV shows, news from around the league or how you're now building your own personal ark after going to the movies this weekend. It's all fair game here. Get crazy, y'all.
